From Pastor Chris

I can hardly fathom that January is coming to an end. Surely, I'm not the only one. Where did this month go? Scanning my day planner tells the story so very well!

At the top of the list (because it was only a few days ago) is our sharing in an outstanding United Women in Faith Sunday. Thank you to all who worked and planned and said 'yes' to make this Sunday such a meaningful time for worship and fellowship. Our guest speaker was well-received, and I remind us that her ministry as a Church and Community Worker is an extension ministry of the local church. She represented our Connection very well.

Walking downstairs, I happened upon an energetic group readying the new and improved food pantry for a large delivery this week. The last few weeks has seen great changes in that space downstairs as the wall came down between the old food pantry and the old sewing room to create one large accessible space for the pantry ministry. Go check it out for yourself!

Eighteen Bible study classes were led representing 93 of our congregation learning and growing in Christ. I teach four classes each week. We also have three Sunday School classes, a prayer ministry gathering (via Zoom), a prayer shawl team, a sewing team, and various small groups that meet on a regular basis. Have you gotten involved in a Bible study or Sunday school? I invite you to visit a class this next week and find your place to belong and grow as well.

Our Leadership Team, Nurture ministry, and other ministry teams began meeting and planning for strengthening ministries in 2025. Great ideas and visioning and conversations are happening! I hope you'll contribute with your voice as well!

Oh yeah, and we had a snowstorm in the midst of it all. How much fun was that!?!?!??

So.... What will February bring? What opportunities will you find? What class will you visit? What ministry will you join? What growth awaits us?

I can't wait to see!

Chris

Congratulations to the recipients of the United Women in Faith "Women of the Year"

During worship this past Sunday, January 26, Judy and Ashley Nutter were honored with the UWF recognition certificate and the UWF cross lapel pin. Having served for many years in many types of mission projects at VUMC, in 2022 Judy and Ashley were instrumental in the beginning of our Mobile Food Pantry and have continued to be the primary planner and organizers for acquiring food items and scheduling for "fill-the-sack" and deliveries. This ministry has grown from providing for food insecurities in the Mountain Pine area to adding the Hot Springs Veterans Clinic, and expanded through the clinic's traveling nurses, to include Pine Bluff, Mena and other veterans' clinics. VUMC is making a difference in the lives of many, through the vision and teamwork began by this mother and daughter duo. Thank you to Judy and Ashley for the many ways you have been a blessing for VUMC. See pictures of the recently remodeled Food Pantry near the end of this newsletter.
