**From Pastor Chris**

**This weekend as we come for worship I invite you to do some preliminary homework.**

**The sermon title will be “This I Believe” based on 1 Corinthians 15: 1-11. As Paul writes this letter to the church in Corinth, he gives a most effective summary of our faith found in Christ. He begins with the words: “I want to remind you of the gospel I preached to you, which you received and on which you have taken your stand.”**

**Think about these words as you think about your own profession of faith. Can you easily summarize the basic tenets of our Christian faith?**

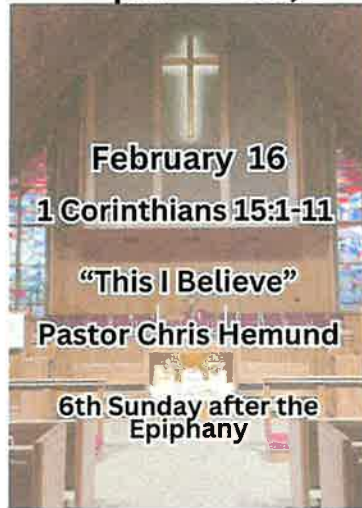

**Of course you can. In fact, we do it every Sunday as we recite the Apostles' Creed. I believe in God the Father Almighty.... I believe in Jesus Christ his only Son our Lord.... I believe in the Holy Spirit...**

**Make plans to join us this Sunday as we explore the significance of what this means in our lives.**

**And about that homework? I’m not grading anything this weekend. It’s on the honor system!**

**Chris**

### United Women in Faith Mission Study **WELCOME HOME**

The Welcome Home mission study explores how we can know God as an intimate friend who welcomes us. Abiding in God's safety and dwelling in God's provision, allows us to open our hearts to a fuller embrace of the power and presence of God so that we may find our home in God. Participants are invited to dig deeper into what it means to live in the kin-dom of God and how this helps us to develop practices for building and existing in healthier communities.

The study leads participants to examine home and redefine what it means in light of Scripture's repeated invitations to dwell with God as individuals, community members, and persons of faith.
